

Community Project Proposal

Form Preview

SECTION A: Application Information

Throughout the year Moira Shire Council provides the opportunity for local residents and community organisations to present project ideas to council. The first step in the project proposal process is to register your fully scoped idea via this form.

Council will consider such projects as minor and major infrastructure works, sustainability projects, community programs and events. Each submission is considered on its own merits.

For assistance with your application, to book a one on one session or if you have inadvertently submitted and need to add or edit information please contact Moira Shire Council, Recreation, Health & Culture Team on (03) 5871 9222.

Storage Policy

Have you read and understood the Storage Policy?

Application Considerations

Please describe how you investigated the opportunity for building alterations, use of other existing storage options available on site (sharing facilities) or working with other site occupants to determine if a shared facility is relevant.

List the reasons that the storage facility is required (noting that valid reasons for increasing storage requirements relate to expansion of membership, increased service and not simply the accumulation of more equipment).
